

Mayor Davis,

I am again inviting you to take part in three debates with me, one in each ward, in advance of Election Day, May 8th. There is simply too much at stake, we owe it to the residents of Bayonne to discuss what kind of leadership they will have in city hall and the direction our city will take in the next four years. I urge you to respond by Friday 3/15/18 so we can officially announce the dates and venues where the debates will take place, giving the residents adequate time to participate and attend. As for the logistics and cost of setting up the debates, our campaign will gladly handle it.

If you refuse to respond to my request by Friday, the debates will still be held in all three wards and we will be announcing them to the public the following week. To respond please call us at 201-858-8457 or email us at Jason@odonnell4bayonne.com

Thank you,

Jason O'Donnell
